

GC32 General

The GC32 is the hottest fleet-racing-class today. The 2018 season will kick-off with an absolute highlight: The GC32 worlds at Lake Garda: a reunion of the fleets of the Extreme Sailing Series – and GC32 Racing Tour fleets. These two accomplished circuits together ensure a stable value and great future for the market of the Gc32 boat. Furthermore the GC32 class association represents the natural interest of the owners to maintain the value of their boats.
